

## A Youth Outreach Ministry

Revivus (“Revive Us”) is a youth outreach ministry which was launched in 2010 to reach youth who struggle with drug and alcohol dependency, as well as youth who struggle with other challenges that teenagers often face. We are currently seeking business sponsors who are willing to help sponsor our annual all-day community event with a tax-deductible gift between \$150 to \$2500 in order to reach our annual goal of \$60,000.00. A portion of ticket sales will go to the Ventura County Rescue Mission.

Each summer Revivus holds our annual community concert and festival event. While we primarily focus on reaching youth with drug and alcohol issues, providing a neutral ground where they can be counseled and learn about the love of God and His healing hand, this is also a family-friendly event for all ages. Each Summer we draw thousands to Rancho Simi Community Park (Duck Pond) in Simi Valley, CA, which features award-winning Christian artists, such as former American Idol finalist, Colton Dixon, and Tenth Avenue North, Britt Nicole, and Kutless, just to name a few. We also have speakers, vendors, prizes and giveaways. The event draws up to 5000+\* people with many lives changed as a result of the willing hearts who serve each year. This event has been made possible by sponsors such as Bennett’s Honey Farm, Ali Baba Café, American Vision Windows, Cribs 2 Teens, Dr. Gonzalez, MD, Tire Pros, Bamboo Cafe, Bella Sera Trattoria, Preferred Glass, Sign Wrap Pros, Good Fight Ministries, Teen Challenge, local volunteers and the many food and merchandise vendors.

Our goal has been to keep this annual event running each summer, to continue to reach our youth with a message of hope, and to create awareness about the many organizations available to help. With an annual budget of \$60,000, we seek generous donations in order to help offset the costs of putting on an event of this size. Contributions are tax-deductible, as Revivus Ministries, Inc. is a 501(c)(3) non-profit organization. Sponsors are afforded the opportunity to share their company’s brand through Banner placements at the event, LED Wall ads from the main stage, ad placements in our Official Event Program, and a listing on our official website. In addition, the option is extended to have a company booth at our event to share a product/service with our audience.

The following pages help to outline how our event is run, current and former sponsors, and our general budgetary needs.

We thank you so much for your time and consideration.

Respectfully,

Revivus Ministries Staff

\*Attendance totals based on numbered wristband distribution.

## Mission Statement

REVIVUS is a ministry that exists to reach young souls battling with the grip of addiction, providing a message of hope, security and love found through the life-changing message of God's word. We create awareness about the growing trend of addiction in young people's lives, as well as the solutions available to them through the various organizations available to help. We also provide an avenue for young people to get involved and be used as God's hands and feet to reach these same young addicts. We believe that young men and women can be a powerful influence amongst their peers. We partner with local organizations such as Teen Challenge, Samaritan Center, Rescue Mission, Community Pregnancy Clinic and Forever Found to provide the valuable help and support that is needed.

The main way we at REVIVUS enjoy reaching our youth is through social media and interacting directly with individuals not only within our community, but around the world. We also enjoy hitting the streets and coming to the aid of those caught up in addiction and letting them know that there is hope. We then help them get connected with someone at one of the aforementioned organizations. Revivus co-founder, Chad Davidson, is also a featured speaker at Teen Challenge and Ventura County Rescue Mission throughout the year.

Once a year we bring everyone together for our annual Summer Event that is family-friendly, filled with the love of God, and a great community festival-style event that seeks to help those in need. Artists featured at past events have been Tenth Avenue North, Colton Dixon, Kutless, Hawk Nelson, Britt Nicole, Seventh Day Slumber, and more!

## Marketing & Advertising

The official 4x6 Revivus postcard is handed out to over 10,000 people by our street team. It is also distributed by our partners, such as Air1 Radio (who also runs our radio spots for four weeks).

Our biggest advertising attraction is our official Event Program, which is handed out to everyone in attendance to our event. With approximately 32 pages of advertising space, this is a perfect way to get your message, service, or product in front of 1000's of potential customers. Ad space is limited, so reserve your spot soon. Request a Revivus Media Kit for more information.

The official 11x17 Revivus Poster is handed out to local area businesses, churches, and organizations to help get the word out in our communities.

Local area newspapers and publications also run featured articles about the event.

In addition to print ads, we also air radio spots on local FM radio leading up to the event, drawing in 1000's more in attendance throughout the day of the event.
