Reclaiming Our Community and Setting a Firm Foundation

Our popular annual community event attracts thousands of people, from all walks of life! We present a positive Christian message and provide awareness for the many non-profit organizations available to help those with various needs. A portion of this year's proceeds will go to the Ventura County Rescue Mission.

## OUTREACH

Attendees learn more about the Rescue Mission, Teen Challenge, Forever Found, Community Pregnancy Clinic and others, to help reach those in need. Each year hundreds are set free through the work these organizations are doing.
