Reclaiming Our Community and Setting a Firm Foundation

Since 2010, Revivus: The Summer Event has become one of Southern California's Premier Music Festivals, attracting thousands of people from all walks of life! We present award-winning entertainment, God-honoring messaging, and a family-friendly environment, complete with a Kids Fun Zone, local food vendors and merchandise booths.

OUTREACH

Attendees learn more about the Rescue Mission, Teen Challenge, Forever Found, Community Pregnancy Clinic and others, to help reach those in need. Each year hundreds are set free through the work these organizations are doing.
